

Find Instructor Training Courses

Is your organization considering training 10 or more instructors? If so, hosting a private virtual instructor training may be the best option. Please visit the [onsite instructor training page](#) for more information.

IMPORTANT UPDATE: With news about COVID-19 developing rapidly – and with your health top of mind – all MHFA Instructor trainings will be conducted remotely through July 2020. The virtual training will cover the same content as in-person training, and you will be eligible for full Instructor certification. This is 3 days of live, interactive training presented by MHFA National Trainers. Each day of instruction will run 6-8 hours. Please review the [IT requirements and course overview](#) before applying for a virtual training option.

We are accepting new applications for the virtual trainings at this time; however, we are currently prioritizing registration for Instructor Candidates who were registered for trainings that were canceled due to COVID-19. To apply for an upcoming Instructor training, please click [here](#). Please note, when selecting a primary and secondary preference at the end of your application, we recommend searching for available trainings by date range.

Please note: MHFA Instructor Training Applications are reviewed on a rolling basis. Due to high demand, we recommend submitting your application 6-8 weeks before the start date of your preferred course. More information about the Instructor certification process can be found [here](#).

Upon acceptance, we will register you for a training based on the preferences listed in your application. If your preferred trainings are full, we will email you a list of alternative training options. **We will continue updating this document with any new information, so please check back here often.**
