

Find Instructor Training Courses

Is your organization considering training 10 or more instructors? If so, hosting a private virtual instructor training may be the best option. Please visit the [onsite instructor training page](#) for more information.

IMPORTANT UPDATE: With COVID-19 still impacting communities and with your health top of mind – all MHFA Instructor trainings will be conducted remotely through Summer 2021. The virtual training will cover the same content as in-person training, and you will be eligible for full Instructor certification. This is 3 days of live, interactive training presented by MHFA National Trainers. Each day of instruction will run 6-8 hours. Please review the [IT requirements and course overview](#) before applying for a virtual training option.

Please note: MHFA Instructor Training Applications are reviewed on a rolling basis. Due to high demand, we recommend submitting your application 4-8 weeks before the start date of your preferred course. More information about the Instructor certification process and training cost can be found [here](#).

Upon acceptance, we will register you for a training based on the preference listed in your application. **We will continue updating this document with any new information, so please check back here often.**
