

## **Madelyn S. Gould, Ph.D., MPH**

Dr. Madelyn Gould is an Irving Philips Professor of Epidemiology in Psychiatry at Columbia University. Dr. Gould's research is centered around the evaluation of suicide crisis interventions (e.g., chat, text, and telephone crisis services), the social transmission of suicide, and the screening and assessment of suicide risk.

Her research contributions have been recognized by many awards, including the Shneidman Award for Research from the American Association of Suicidology (AAS), the New York State Office of Mental Health Research Award, the American Foundation for Suicide Prevention (AFSP) Research Award, the NYS Suicide Prevention Center's Excellence in Suicide Prevention Award, and the Dublin Award from AAS, a lifetime achievement award for outstanding contributions to the field of suicide prevention.
