

# Find teen Mental Health First Aid Instructor Training Courses

Is your organization considering training 10 or more teen Mental Health First Aid (tMHFA) Instructors? If so, hosting a private virtual instructor training may be the best option. Please email us at [teenMHFA@thenationalcouncil.org](mailto:teenMHFA@thenationalcouncil.org) to learn more.

**IMPORTANT UPDATE:** All tMHFA Instructor trainings will be conducted remotely through September 2021. The virtual training will cover the same content as in-person training, and you will be eligible for full Instructor certification. This is 3 days of live, interactive training presented by tMHFA National Trainers. Each day of instruction will run 6-8 hours. In addition, each training requires approximately 4 hours of pre-work prior to the training, where candidates will watch a series of modeling videos of the training and complete assignments in an Instructor Processing Guide.

Please note: Before Instructors can apply to attend an upcoming tMHFA Instructor Training, organizations must apply to the National Council for Behavioral Health and be registered as tMHFA Implementing Sites. Once accepted, tMHFA Implementing Sites may invite Instructor candidates to apply to attend a three-day tMHFA Instructor Training.

During the instructor-candidate application process, you will be able to select your training preference. If the preferred training is at capacity, we will reach out to you with alternative options for training dates.

**COMING SOON: Blended/Virtual tMHFA**

We will update this page as new information becomes available, so please check back here often.
