WHY YOUTH MENTAL HEALTH FIRST AID?

Youth Mental Health First Aid teaches you how to identify, understand and respond to signs of mental health and substance use challenges among children and adolescents ages 12-18.

WHAT MENTAL HEALTH FIRST AID COVERS

- Common signs and symptoms of mental health challenges in this age group, including anxiety, depression, eating disorders and attention deficit hyperactive disorder (ADHD).
- Common signs and symptoms of substance use challenges.
- How to interact with a child or adolescent in crisis.
- How to connect the youth with help.
- Expanded content on trauma, substance use, self-care and the impact of social media and bullying.

THREE WAYS TO LEARN

- **In-person** – Learners will receive their training as an 8-hour, Instructor-led, in-person course.
- **Blended** – Learners complete a 2-hour, self-paced online course, and participate in a 4.5- to 5.5-hour, Instructor-led training. This Instructor-led Training can be:
  » A video conference.
  » An in-person class.

Learn how to respond with the Mental Health First Aid Action Plan (**ALGEE**):

- **A**ssess for risk of suicide or harm.
- **L**isten nonjudgmentally.
- **G**ive reassurance and information.
- **E**ncourage appropriate professional help.
- **E**ncourage self-help and other support strategies.
