

Bruno Anthony, Ph.D.

Dr. Bruno Anthony is a Professor, Vice Chair, and Director in the Office of Psychological Science and Practice with the Department of Psychiatry at the University of Colorado's School of Medicine. He is also the Chief of Psychology with the Pediatric Mental Health Institute at Children's Hospital in Colorado and the Director of Research at Partners for Children's Mental Health.

His research interests are developmental and mental health problems and their associated disparities, with efforts focused on improving systems, practice, and outcomes for vulnerable children, youth, and adults. He also previously led a collaboration with *Sesame Street Workshop* to evaluate their social impact initiative around autism. [Read more.](#)
