

Mental Health First Aid (MHFA) Instructor Training

PUBLIC INSTRUCTOR CERTIFICATION PROCESS

The prerequisite to the Instructor Training is taking a [MHFA Course](#) in the curriculum that you plan to teach. MHFA certificates expire after three (3) years, so if you do not have a valid MHFA certificate, you will need to retake the course.

To [become an Instructor](#), candidates complete an application (10-15 minutes), self-paced pre-work (approximately 2 hours), a remote 3-day Instructor-Led Training, and self-paced post work (1 hour). Please review the [Instructor Certification Process](#) for more information regarding tuition cost, training format, cancellation policy, and more.

READY TO APPLY? [CLICK HERE!](#)

The Instructor Application is in place to ensure candidates have the appropriate skills and interests to be successful Instructors. We are looking for candidates to be confident in areas of public speaking, teaching, marketing, and have passion for issues surrounding mental health. Not sure if Instructor Certification is right for you? Take a deeper look at the [Instructor Role](#).

Haven't taken the MHFA Course yet but want to reserve a seat in an Instructor Training? You can opt to "waive" the prerequisite and move forward with the Instructor Application. However, you **must** complete an MHFA Course within thirty (30) days after the last day of the Instructor Training Course.

For **Missouri and Maryland Residents**, please visit our state partners' websites to apply for their in-state Instructor training courses. These courses are only open to in-state residents.
